Hello,

We are working through this right now. It's a pretty heavy lift. We will have everything ready by July and are hoping surpassed the score. Would we be able to get that to you later?

Thank you, Dana!

Sorry that I didn't think about this before. Wondering if Jostens has its own website for building yearbooks? If that's the case, we are also required to have an Accessibility Statement or Documentation on file per the new law HB 21-1110. If you have this, could you provide it to me?

Thank you for the help here.
Best Regards,
Kristina

Hi Dana,

We are working on renewing the Jostens contract with Poudre School District, and the data document looks very old. There's a "fax" number in there. Could you provide updates for this with the attached Student Data Information Request Form?

If you have any questions, please let me know. I look forward to hearing from you.

Best Regards,
Kristina
