Issuance of a purchase order or payment pursuant to this Price Quote, or usage of the products specified herein, shall be deemed acceptance of such Terms & Conditions.

## Terms & Conditions

1. **Scope.** These Terms and Conditions (the “Customer Terms”) are a legal agreement between Amplify Education, Inc. (“Amplify”) and your school, district, state agency, or other educational organization (“you” or “Customer”) for the license and use of one or more of Amplify products or services (the “Products”), as specified in the receipt, price quote, proposal, renewal letter, or other ordering document containing the details of this purchase (the “Quote”). Unless otherwise specified in the Quote, these Customer Terms and the Quote constitute the entire agreement between Amplify and Customer regarding the license and use of the Products (the “Agreement”). This Agreement becomes effective at the earliest of the following: (i) issuing a purchase order, shipment request, or payment against the Quote; (ii) accessing, downloading, or using the Products; or (iii) otherwise accepting this Agreement. You represent and warrant that: (1) you are of legal age to accept this Agreement; (2) you are authorized to accept this Agreement and to access and use the Products; and (3) your use of the Products will comply at all times with Amplify’s [Acceptable Use Policy](https://amplify.com/acceptable-use) available at [amplify.com/acceptable-use](https://amplify.com/acceptable-use) (“AUP”). If you do not agree to this Agreement, do not access, download, or use the Products.

2. **License.** Subject to the terms and conditions of the Agreement, Amplify grants to Customer a non-exclusive, non-transferable, non-sublicensable license to access and use, and permit Authorized School Users, as defined below, to access and use the Products in accordance with the AUP, for the duration specified in the Quote (the “Term”), and for the number of Authorized School Users specified in the Quote for whom Customer has paid the applicable fees to Amplify. “Authorized School User” means an individual teacher or other personnel employed by Customer, or an individual student registered or authorized for instruction with Customer, who

Customer permits to access and use the Products subject to the terms and conditions of the Agreement, solely while such individual is so employed or so registered. Each Authorized School User's access and use of the Products will be subject to Amplify's AUP in addition to the terms and conditions of the Agreement. Violations of this Agreement or the AUP may result in suspension or termination of the applicable account.

3. **Restrictions.** Customer may access and use the Products solely for non-commercial instructional and administrative purposes. Guidelines for such purposes may be detailed in materials associated with the Product you are accessing. Further, Customer may not, except as expressly authorized or directed by Amplify: (a) copy, modify, translate, distribute, disclose, or create derivative works based on the contents of, sell, or otherwise exploit, the Products, or any part thereof; (b) decompile, disassemble, reverse engineer the Products, or otherwise use the Products to develop functionally similar products or services; (c) modify, alter, or delete any of the copyright, trademark, or other proprietary notices in or on the Products; (d) rent, lease, or lend the Products or use the Products for the benefit of any third party; (e) avoid, circumvent, or disable any security or digital rights management device, procedure, protocol, or mechanism in the Products; or (f) permit any Authorized User or third party to do any of the foregoing. Customer also agrees that any works created in violation of this section are derivative works, and, as such, Customer agrees to assign, and hereby assigns, all right, title, and interest in such works to Amplify. The Products and derivatives thereof may be subject to export control laws, restrictions, regulations, and orders of the U.S. and other jurisdictions (together, "Export Laws"). Customer agrees to comply with all applicable Export Laws, and will not, and will not permit Authorized School Users to, export, or transfer for the purpose of re-export, any Product to any prohibited or embargoed country in violation of any U.S. export law or regulation. Further, Customer represents that it is not a party subject to sanctions by the U.S. Office of Foreign Assets Control or included on any restricted party list maintained by the U.S. Bureau of Industry and Security. The software and associated documentation portions of the Products are "commercial items" (as defined at 48 CFR 2.101), comprising "commercial computer software" and "commercial computer software documentation," as those terms are used in 48 CFR 12.212. Accordingly, if Customer is the U.S. Government or its contractor, Customer will receive only those rights set forth in this Agreement in accordance with 48 CFR 227.7201-227.7204 (for Department of Defense and their contractors) or 48 CFR 12.212 (for other U.S. Government licensees and their contractors).

4. **Reservation of Rights.** SUBSCRIPTION PRODUCTS ARE LICENSED, NOT SOLD. Subject to the limited rights expressly granted hereunder, all rights, title, and interest in and to all Products, including all related IP Rights, are and will remain the sole and exclusive property of Amplify or its third-party licensors. "IP Rights" means, collectively, rights under patent, trademark, copyright, and trade secret laws, and any other intellectual property or proprietary rights recognized in any country or jurisdiction worldwide. Customer must promptly notify Amplify of any violation of Amplify's IP Rights in the Products, and will reasonably assist Amplify as necessary to remedy any such violation. Amplify Products are protected by patents (see [amplify.com/virtual-patent-marking](https://amplify.com/virtual-patent-marking)).

5. **Payments.** In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer will be responsible for all state or local sales, use or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.

6. **Shipments.** Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported to Amplify by Customer within 60 days of receipt. In such case, Customer may not return Products without Amplify's written authorization.

7. **Account Information.** For subscription Products, the authentication of Authorized School Users is based in part upon information supplied by Customer or Authorized School Users, as applicable. Customer will and will cause its Authorized School Users to (a) provide accurate information to Amplify or a third-party service as applicable, and promptly report any changes to such information, (b) not share login credentials or otherwise allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized School Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized School Users.

8. **Confidentiality.** Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized School Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how, or trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer

prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

9. **Student Data.** The parties acknowledge and agree that in the course of providing the Products to the Customer, Amplify may collect, receive, or generate information that directly relates to an identifiable current or former student of Customer ("Student Data"). Student Data may include personal information from a student's "educational records," as defined by the Family Educational Rights and Privacy Act of 1974 ("FERPA"). Student Data is owned and controlled by the Customer and Amplify receives Student Data as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Individually and collectively, Amplify and Customer agree to uphold our obligations, as applicable, under FERPA, the Children's Online Privacy Protection Act ("COPPA"), the Protection of Pupil Rights Amendment ("PPRA"), and applicable state laws relating to student data privacy. Amplify's [Privacy Policy](https://amplify.com/customer-privacy) at [amplify.com/customer-privacy](https://amplify.com/customer-privacy) ("Privacy Policy") will govern collection, use, and disclosure of Student Data collected or stored on behalf of Customer under this Agreement. Customer is responsible for providing notice and obtaining appropriate consents under applicable laws to authorize Authorized School Users' use of the Products, including making a copy of the [Privacy Policy](https://amplify.com/privacy-security) available to the parents or guardians of users who are under the age of 13. In addition, Amplify has entered into the Data Privacy Agreements listed at [amplify.com/privacy-security](https://amplify.com/privacy-security) aligned with state and national templates to facilitate compliance with applicable state laws and help expedite Customer's student data privacy documentation process.

10. **Customer Materials and Requirements.** Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized School Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at [amplify.com/customer-requirements](https://amplify.com/customer-requirements).

11. **Warranty Disclaimer.** PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD-PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS, OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD-PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD-PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE, AND DISCLOSURE PRACTICES OF THIRD PARTIES.

12. **Limitation of Liability.** IN NO EVENT WILL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE, OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, MAY NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12-MONTH PERIOD. UNDER NO CIRCUMSTANCES WILL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. **Term/Termination.** This Agreement will be in effect for the Term and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity, or otherwise, a party will have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized School User) materially breaches any term, provision, warranty, or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge, or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible for the cost of any continued use of the Products following termination. Upon termination, Amplify will return or

destroy any Student Data provided to Amplify hereunder. Notwithstanding the foregoing, nothing will require Amplify to return or destroy any data that does not include Student Data, including de-identified information or data that is derived from access to Student Data but which does not contain Student Data. Sections 3–14 will survive the termination of this Agreement.

The provisions of this Agreement will supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and will supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement will apply to their singular and plural forms, as applicable. The word “including” means “including without limitation.” This Agreement will be governed by and construed and enforced in accordance with the laws of the U.S., state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement will constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized School User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement will for any reason be held to be unenforceable at law, such provisions will be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify will have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, pandemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network. Each party represents and warrants that it has all necessary right, power, and authority to enter into this Agreement and to comply with the obligations hereunder.

## STUDENT DATA INFORMATION REQUEST FOR SOFTWARE SERVICES

Colorado's Student Data Transparency and Security Act [C.R.S. Section 22-16-101 et seq.] requires Poudre School District (PSD) to set forth certain contractual requirements before agreeing to the use of products that share student data. Due to the specificity of this language, PSD has opted to use its own contract to ensure compliance and alignment with the law and U.S. Department of Education recommendations regarding National Institutes of Standards and Technology Guidelines for Media Sanitization.

The law defines Student Identifiable Data as all items which are collected, maintained, generated, or inferred through use of the service, which includes metadata. This means any data element in the software's data table that can be connected to a student must be transparently identified along with how the data will be used. Because this may be different from what the company has reported under the Family Educational Rights and Privacy Act (FERPA), the District recommends pulling the data table to include all data elements.

Please provide the following information to facilitate the contracting process:

1. Detailed, formal description of product and scope of work to be completed.

*Descriptions should not include wording such as "most used" or "used by X number of schools."  
Service descriptions should be detailed and free of sales language so it's clear what's being purchased.*

**Please see your Amplify Price Quote**

2. What student data is collected through use of the system?

*List all student data that's collected, maintained, generated, or inferred through use of the service; this includes information created or collected by the company.*

**Please see the Attachment 1 - CKLA K-5 and mCLASS DIBELS 8th Edition - Schedule of Student Data.**

3. What is the purpose of collecting student data?

**Attachment 1 includes the purpose for each of the data elements.**

4. What third parties does the company partner with who may receive student data in any format?

*This includes storage and vendors receiving encrypted data.*

**Amplify's partners with the subprocessors of Student Data identified in the table below. This list may be periodically updated to the extent we contract with additional subprocessors, in all cases in accordance with our Customer Privacy Policy and with appropriate written agreements. The current list of subprocessors may be accessed at <https://amplify.com/subprocessors>**

Subprocessor	Purpose
Amazon Web Services, Inc.	Cloud hosting services

Blackboard, Inc.	Video conferencing and attendance tracking for tutoring services
dbt Labs, Inc.	Run database queries
Egnyte, Inc.	Secure file exchange
Global Grid for Learning, PBC.	Secure rostering
Google LLC	Cloud hosting services
Google LLC (Looker)	Data warehouse analytics
Snowflake, Inc.	Database hosting

5. What is the purpose of the third-party partners?

**Please see the table in the response above which includes the purpose per subprocessor.**

6. Please provide:

- Current quote (if available)

**Please see your Amplify Price Quote**

- Tiered pricing for future purchases

**N/A**

- Name and email for contract notices

**Monty Lammers** [mlammers@amplify.com](mailto:mlammers@amplify.com)

- Name and title of person who will sign the contract

**Melissa Ulan, SVP Product, Literacy**

- Does the system allow integration for rostering?

**Yes No**

- If the above answer is yes, how is it completed?

**Amplify supports a variety of roster synchronization options, including direct OneRoster CSV via secure HTTPS or SFTP, and via integration partners GG4L, ClassLink, and Clever. We will work with the district to determine the best integration option.**
