

State of Colorado Cloud Solutions Contract - NASPO

The State of Colorado has entered into a contract with Carahsoft for Cloud Solutions. This contract vehicle is a participating addendum that acts as an extension of Carahsoft's NASPO ValuePoint contract. All public agencies within the State of Colorado are able to utilize this contract vehicle to procure cloud solutions via a state contract.

State of Colorado Participating Addendum (https://static.carahsoft.com/concrete/files/5316/2308/0878/1590079294_Cloud_Carahsoft_CO_Executed_PA_9.pdf)

NASPO ValuePoint

The NASPO ValuePoint Cooperative Purchasing Organization (formerly WSCA-NASPO) provides the highest standard of excellence in public cooperative contracting. By leveraging the leadership and expertise of all states with the purchasing power of their public entities, NASPO ValuePoint delivers best value, reliable, competitively sourced contracts.

For further information about NASPO ValuePoint or to view the master agreement please click here (<https://www.naspovaluepoint.org/portfolio/cloud-solutions-2016-2026/carahsoft-technology-corporation/>).

Contract & Order Information

Contract Title:	NASPO Cloud Solutions - CO
Contractor:	Carahsoft Technology Corp.
Number:	139963
Contract Period:	March 17, 2020 - September 15, 2026
Federal Taxpayer ID:	52-2189693
Cage Code:	1P3C5
DUNS Number:	088365767
Shipping Point:	FOB Destination
Payment Terms:	Net 45 (On Approved Credit)
Guidelines & Notes:	Agency purchase orders must be emailed to NASPO@carahsoft.com . Please remember to put the Contract Number (139963) on your Purchase Order and Quote.
